The Ultrapure Micro conference works in close collaboration with leading semiconductor manufacturers, technology providers and, with the support of the IRDS group, addresses industry needs, challenges, and pioneers innovations.

To answer the industry's demands, this year the conference is adding a High Purity Chemicals Strand that will run in parallel with the UPW Production and Water Management Tracks.

ATTENDEES

Our delegates come from all over the world, each bringing their own unique experiences and expertise to the Ultrapure Micro conference.

Delegates can be broken down into the following delegate types:

- **49.52%** Suppliers (Chem/Equipment)
- **27.62%** Design/Engineers
- **18.10%** End Users
- **4.76%** Consultant

Job Function

- Owner
- Facilities Manager
- Business Development
- Product Developer
- Engineer
- Research & Development

Delegate Testimonials

"I like the collegial nature of the conference. People from different companies, working together to solve common problems."

"The networking and team building opportunities at the event were valuable, productive, and fun."

"Very good conference! I learned a lot and met some wonderful people. Will attend again next year!"

SPONSORSHIP

Your target audience under one roof for two days of networking and technical learning.

Sponsoring UPMicro puts **your brand** in front owners, managers, and other decision makers.

This is **your opportunity** to establish and build advocacy among the hundreds of delegates who attend every year.
