Daniel Stucky
Samsung Austin Semiconductor

In 2018 we successfully introduced a new strand, High Purity Chemicals, running parallel to our original UPW Production, and Water Management tracks.

This year we're excited to continue to grow Ultrapure Micro by adding High Purity Gases into the High Purity Chemicals strand. For 2019 we're crafting our agenda around three strands: Ultrapure Water Production, Water Management & Wastewater Treatment, and High Performance Chemicals & High Purity Gases.

ATTENDEES

Our delegates come from all over the world, each bringing their own unique experiences and expertise to the Ultrapure Micro conference.

Delegates can be broken down into the following delegate types:

- **62%** Supplier/Vendor
- **19%** End User
- **16%** Design/Engineering
- **2%** Consultant
- **1%** Academic

Job Function

- Owner
- Facilities Manager
- Business Development
- Product Developer
- Engineer
- Research & Development

Delegate Testimonials

"Excellent conference. Very relevant topics and presentations. Attracts high level, key players in the industry."

"Great conference. I really like the small collegial atmosphere. Everyone working together to solve challenging, cutting edge, and relevant issues."

"The Learning Series Workshop is a great opportunity to understand industry needs"

SPONSORSHIP

Your target audience under one roof for two days of networking and technical learning.

Sponsoring UPMicro puts **your brand** in front of owners, managers, and other key decision makers.

This is **your opportunity** to establish and build advocacy among the hundreds of delegates who attend every year.

View

Ultrapure Micro is the leading platform for research, knowledge exchange and networking for the ultrapure water and microelectronics sector.

The renowned Ultrapure Micro conference stands alongside its sister publication, the peer-reviewed Ultrapure Micro Journal. Together working to address the unique challenges and complexities of the semiconductor manufacturing process and provide a focused platform for collaborative development.

Ultrapure Micro is dedicated to driving progress and supporting the industry, and we want our partners to be invested in this mission too.

UPM partners are more than just advertisers. As a partner, you will establish your business as a leader by contributing important industry resources to the Ultrapure community and provide thought leadership and solutions to the industry's most complex challenges.

Become a UPM partner today and join a platform backed by the highest quality research in the microelectronics and semiconductor industry.
