

Ultrapure Micro 2019 – Delegate List

<u>Company</u>	<u>Title</u>	<u>Country</u>
3M	Regional Manager	United States
3M	SPSD Technical Sales - Western region	United States
3M	Applications Engineering Manager	United States
3M Industrial Business Group	US Marketing Manager, 3M SPSPD	United States
3M Industrial Business Group	Research Scientist	United States
3M, Industrial Business Group, Membranes Business Unit	Representative	United States
A.S. Plastics Technology, Inc.	Vice President	United States
Advanced UV, Inc.	Engineer	United States
Advanced UV, Inc.	Engineer	United States
Agilent Technologies	Account Manager	United States
Agilent Technologies	ICP-MS Applications Scientist	United States
Air Liquide	Scientist	United States
Air Liquide	Representative	United States
Air Liquide - Balazs	Scientist III	United States
Air Liquide - Balazs Nanoanalysis	Water Laboratory Manager	United States
Air Liquide Electronics	Senior Applications Engineer	United States
Air Liquide Global E&C Solutions	Manager, Solutions Development - Cryogenics	United States
AM Technical Solutions	Process Engineer	United States
Ametek Fluoropolymer Products	Regional Sales Manager	United States
Amresist Inc.	Regional Sales Manager	United States
AMRESIST, INC.	Vice President Sales	United States
An-Cor Industrial Plastics Inc	Sales Engineer	United States
Applied Materials	Head FES   AGS EPG	Germany
Applied Materials	Manager	Singapore
Applied Materials	Director of Technology Development at Applied Materials	United States
Aqua Metrology Systems	Business Development Manager for Western Region	United States
Aqua Metrology Systems	Development Manager	United States
Aquafine Corporation	Regional Sales Manager	United States
Aquafine Corporation	Manager of Engineering for Development and Test	United States
Aquafine Corporation	Lab Associate	United States
Aquafine Corporation	Regional Sales Manager	United States
Arkema Inc	Americas Business Manager, Industrial	United States
AS Stromungstechnik GmbH	Technical Sales Manager Global	Germany
Asahi Kasei Corporation	Deputy Manager	Japan
Asahi Kasei Corporation	Deputy General Manager	Japan
Asahi Kasei Corporation - Japan	R&D	Japan
Asahi/America	Business Development Manager, High Purity	United States
Asahi/America	District Sales Manager	United States
Asahi/America	VP - Sales & Marketing	United States
Avista Technologies Inc	Applications and Sales	United States
Axeon Water Technologies	CEO	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Banner Industries	Technical Sales Manager	United States
Banner Industries	President	United States
Banner Industries	Technical Sales	United States
Banner Industries	Central Regional Manager	United States
Barry Wehmler Design Group	Project Manager	United States
Booky Oren Global Water Technologies Ltd.	Water Technology Scouting Manager	Israel
Cabot Electronics	Global Business Director, Electronic Chemicals	United States
Cabot Microelectronics	Engineer	United States
Carollo Engineers	Senior Vice President	United States
Carollo Engineers Inc	Vice President, Chief Technologist - Decision Support	United States
Chemours	Technical Service Senior Scientist, Fluoropolymers	United States
Chemtrace	Director of Sales	United States
ChemTrace	Technical Sales Account Manager	United States
Chemtrade	Process Engineering Manager	United States
CT Associates Inc	President	United States
Daikin America	Global Marketing Leader	United States
DAS Environmental Experts	COO Water Treatment	Germany
DAS Environmental Experts	General Manager	United States
Diamond Companies	Project Manager	United States
Diamond Fiberglass	Vice President & Partner	United States
Diversified Fluid Solutions	Applications Engineer	United States
Diversified Fluid Solutions	Director of Gas and OEM Business	United States
DivInd LLC	Representative	United States
DOC-LABOR	Director	Germany
DPS	Process Engineer	United States
DuPont	Scientist	United States
DuPont	Senior Account Manager	Canada
DuPont	Technical Service	United States
DuPont	Senior Technical Service Engineer	United States
Dupont Japan	Developmental Specialist	Japan
Elemental Scientific	Sales Engineer	United States
Elemental Scientific, Inc.	Sales Engineer	United States
Entegris	Business Development Technologist	United States
Entegris	Technologist	United States
Entegris	Business Development	United States
Entegris	Engineer	United States
Entegris	Sr Mgr, Gas Purification Research	United States
Entegris	Sales Director, North America Wet Process Market	United States
Entegris	Applications Manager	Germany
Entegris	Product Marketing Manager	United States
Entegris	Applications Engineer	United States
Enviro-Energy Solutions	Consultant	United States
ETH Zurich - UNISERS	Researcher	Switzerland
Evoqua Water Technologies	Aftermarket Sales	United States
Evoqua Water Technologies	UPW Process Engineer	United States
Evoqua Water Technologies	UPW Engineer	United States
Evoqua Water Technologies	Research and Development Manager	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Evoqua Water Technologies	Director, Global Business Development	United States
Evoqua Water Technologies	Industrial Sales Manager	United States
Evoqua Water Technologies	Project Manager	United States
Exyte	Process Engineer	United States
Exyte	Discipline Director Process Engineer	United States
Exyte	Manager, Process Systems	China
Exyte	Process Engineer	United States
Farnsworth Group	Director of Process Piping	United States
Farnsworth Group	Process Engineer	United States
Farnsworth Group	Piping Designer	United States
Farnsworth Group	Process Engineering Manager	United States
Farnsworth Group	Process Engineer	United States
Fluid Imaging Technologies	CEO	United States
FTD Solutions	CEO	United States
FTD Solutions	COO	United States
FTD Solutions	CTO	United States
FTD Solutions	Site Lead	United States
FTD Solutions	Project Manager	United States
FTD Solutions	Project Engineer	United States
FTD Solutions	Project Engineer	United States
FTD Solutions	Project Manager	United States
Fujifilm Electronic Materials U.S.A. Inc.	Sr. Process Technology Engineer	United States
Fujifilm Electronic Materials U.S.A. Inc.	R&D Metrology Manager	United States
Fujifilm Electronic Materials U.S.A. Inc.	R&D Chemist	United States
Garlock Sealing Technologies	Director of Product Management	United States
GEMU Valves	Plastics Product Manager	United States
GEMU Valves	Subject Matter Expert	United States
Georg Fischer	Project Manager	United States
GEorg Fischer	Area Sales Manager - Engineered Piping Systems	United States
Georg Fischer	Product Manager	United States
Georg Fischer	Regional Sales Director	United States
Georg Fischer	National Sales Director	United States
Georg Fischer Piping Systems	Senior Engineering Manager Services	Switzerland
Georg Fischer Signet LLC	Electrochemist	United States
GF Signet	Director of Sensor R&D	United States
GLOBALFOUNDRIES	Facilities Gas Engineer	United States
GLOBALFOUNDRIES	Sr. Manager/ Dep. Director	United States
GLOBALFOUNDRIES	Facilities Engineer WWT	United States
GLOBALFOUNDRIES	Staff Technician, UPW-Waste-WWT Support	United States
GLOBALFOUNDRIES	Facilities Engineer for UPW and WWT	Germany
GLOBALFOUNDRIES	UPW Engineer	United States
Greene Tweed & Co Inc	Elastomer Product Manager, Semiconductor	United States
Harrington Industrial Plastics	Div. VP, Pure Group	United States
Harrington Industrial Plastics	Director Semi Conductor/Solar	United States
Harrington Industrial Plastics	President	United States
Harrington Pure	Regional Sales Specialist	United States
Heraeus Noblelight America, LLC.	Sales	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Heraeus Quarzglas GmbH & Co KG	Product Manager	Germany
HORIBA	Application Specialist	United States
HORIBA	Sales	United States
Horiba Instruments	Sales	United States
Horiba Instruments	Sales	United States
Horiba Instruments	Sales	United States
Horiba Instruments	Sales	United States
Hydranautics	Regional Account Executive - Southwest USA	United States
IMES Engineering Group	Mechanical/Process Engineer	United States
IMES Engineering Group	Principal	United States
IMES Group, LLC	Senior Project Coordinator	United States
IMES Group, LLC	Mechanical/Process EIT	United States
IMES Group, LLC	Mechanical/Process EIT	United States
Intel	Facility Engineering Manager	Israel
Intel Corporation	Pathfinding Technologist	United States
Intel Corporation	Planar Engineer	United States
Intel Corporation	UPW Analytical Development Engineer	United States
Intel Corporation	Facilities Engineer	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	Waste Engineer	United States
Intel Corporation	UPW IWS PE	United States
Intel Corporation	Vice President, Manufacturing and Operations	United States
Intel Corporation	Process PE	Israel
Intel Corporation	UPW Technician	United States
Intel Corporation	UPW Technician	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Technician	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	Environmental Engineer	Israel
Intel Corporation	Mechanical Engineer	Israel
Intel Corporation	Commodity Manager	United States
Intel Corporation	Senior Materials Manager	United States
Intel Corporation	UPW Engineer	Ireland
Intel Electronics Ltd	UPW Engineer	Israel
Jacobs	Process Department Manager	United States
Jacobs	Process Engineer	United States
Jacobs	Process Engineer	United States
JE Dunn	Senior ME Engineer	United States
JSR Micro	Senior Cleans Engineer	United States
JSR Micro	Engineer	United States
K-Water	Senior Researcher	Korea (South)
Kanomax FMT	President	United States
Kanomax FMT	President	United States
Kanomax FMT	VP	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Kanomax Holdings Inc	Vice President   Business Development	United States
Kanomax Japan, Inc.	General Manager	Japan
KMG Chemicals	Technology Manager	United States
Koch Membrane Systems	Process Engineer	United States
Korea Water Resources Corporation	Researcher	Korea (South)
KTH University	Phd student	Sweden
Kurita America Inc	Executive Vice President	United States
Kurita Water Industries	Researcher	Japan
Kurita Water Industries	Chief Researcher	Japan
Kurita Water Industries	Representative	Japan
Lanxess	Market Development Manager	United States
Lanxess	Technical Manager Lanxess LPT	Germany
Lanxess Sybron Chemicals Inc	Technical Sale Representative	United States
Levitronix GmbH	Regional Account Manager	United States
Levitronix Technologies LLC	Account Manager	United States
Linear Technology - Analog Devices	Facilities	United States
Lubrizol	Industrial Field Tech Manager	United States
MD Henley & Associates	Water Industry Consultant	United States
Mega Fluid Systems	Technical Fellow	United States
Mettler Toledo	781-301-8600	United States
Mettler Toledo - THORNTON	Gloal Product Manager	United States
Mettler-Toledo	Product Manager	United States
MGC Pure Chemicals America Inc	Quality Manager	United States
MGC Pure Chemicals America Inc	QA Engineer	United States
MGC Pure Chemicals America Inc	Technical Sales Manager	United States
MGC Pure Chemicals America Inc	Laboratory Manager	United States
MGC Pure hemicals	Laboratory Supervisor	United States
MGN International Inc	Sales Application Engineer	United States
MGN International Inc	Representative	United States
Micron Technology Inc.	Principal Water Engineer	United States
Micron Technology, Inc.	Sourcing	United States
MIT Lincoln Laboratory	Facility Manager	United States
Moses Lake Industries	Maintenance Tech	United States
Moses Lake Industries	Maintenance Tech	United States
Nalco - an Ecolab Company	Area Manager	United States
Nalco - an Ecolab Company	Senior Marketing Manager, Microelectronics	United States
Nalco - an Ecolab Company	Corporate Account Manager	United States
Nalco - an Ecolab Company	Regional Business Development	United States
Nalco - an Ecolab Company	District Representative	United States
Nalco - an Ecolab Company	Industry Technical Consultant	United States
Nalco - an Ecolab Company	Area Vice President	United States
Nalco - an Ecolab Company	VP Corporate Accounts	United States
NeoTech Aqua Solutions	CEO	United States
Nomura Micro Science USA	Development Director	United States
Nomura Micro Sciende Ltd	General employee	Japan
ON Semiconductor	Facilities Engineer	United States
Organo Corporation	Section Head	Japan

<u>Company</u>	<u>Title</u>	<u>Country</u>
Organo Corporation	Assistant Section Chief	Japan
Organo Corporation	Manager	Japan
Organo Corporation	Section Chief	Japan
Organo Corporation	Assistant Manager	Japan
Organo Corporation	Manager	Japan
Organo Corporation	Managing Director & Executive Officer	Japan
Organo Corporation	Project Manager	Japan
Organo Corporation	Representative	Japan
Organo Corporation	ELBU	Japan
Ovivo	Project Engineer	United States
Ovivo	Project Engineer	United States
Ovivo	Innovation Engineer	Switzerland
Ovivo Switzerland AG	Process Engineer	Switzerland
Ovivo Switzerland AG	Global Director of Innovation	Switzerland
Ovivo Water	Service Center Manager/ Vancouver	United States
Ovivo Water	Representative	United States
Pall Corporation	SLS Director	Germany
Pall Corporation	Product Manager Chemical and CMP products	Germany
Pall Corporation	Global Account Manager	United States
Pall Corporation	Senior Technical Specialist	United States
Pall GmbH	Director Global Product Planning and Management Water	Germany
Particle Measuring Systems	Regional Sales Manager, Western USA	United States
Particle Measuring Systems	Sales Manager, Electronics	United States
PeroxyChem	Global Electronics Segment Manager	United States
PeroxyChem	High Purity Engineer	United States
PeroxyChem	Electronics Quality & Technical Manager	United States
PeroxyChem	Process Engineer - Process Technology Group	United States
Pfandler Group	Global Business Development Manager - Semiconductor Sales	United States
Pfandler Group	Technical Director	United States
Plast-O-Matic Valves Inc	Southern States Sales Manager	United States
Plast-O-Matic Valves, Inc.	Process Engineering Manager	United States
Pure Facilities Solutions LLC	Principal	United States
Pure Plastics	President	United States
Pure Plastics	Business Development	United States
Pure Plastics	Business Development	United States
Pureflow	Engineering Manger	United States
Pureflow, Inc.	Engineer	United States
Purolite Corporation	Technical Sales Western Region	United States
Purolite Corporation	Sales Director - Midwest, Southwest, West	United States
Rikutec America, Inc.	President	United States
RION Co., LTD	International Sales Manager	Japan
SACHEM Inc.	High Purity Lab Manager	United States
SACHEM Inc.	Chemist	United States
Sachem Inc.	Process Development Chemist	United States
Samsung Austin Semiconductor	Material Technology	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Samsung Austin Semiconductor	Facilities Engineering Manager	United States
Samsung Austin Semiconductor	Senior Engineer TR	United States
Samsung Austin Semiconductor	UPW TR	United States
Samsung Austin Semiconductor	Engineer	United States
Samsung Austin Semiconductor	Engineer	United States
Samsung Austin Semiconductor	Infra Technology Construction TR	United States
Samsung Austin Semiconductor	UPW Project Manager	United States
Samsung Austin Semiconductor	Engineer	United States
Samsung Austin Semiconductor	IWT Engineer	United States
Samsung Austin Semiconductor	GCS Senior Engineer	United States
Samsung Austin Semiconductor	IWT Facilities Engineer	United States
Samsung Austin Semiconductor	UPW Facilities Engineer	United States
Samsung Austin Semiconductor	Scrubber Engineer	United States
Samsung Austin Semiconductor	Engineering Team Rep - PCS	United States
Samsung Austin Semiconductor	Scrubber Engineer - PCS	United States
Samsung Austin Semiconductor	UPW Engineer	United States
Samsung Austin Semiconductor	Slurry Project Manager	United States
Samsung Austin Semiconductor	Material Technology Engineer	United States
Samsung Engineering	Principal Engineer	Korea (South)
Samsung Engineering Co Ltd	Senior Engineer	Korea (South)
Sandia National Laboratories	Facilities Technologist	United States
Sandia National Laboratories	Technologist	United States
SEMI	SEMI Standards	United States
Semiconductor Smart Solutions	President	United States
Semitorr Group, Inc.	Account Manager	United States
Semitorr Inc.	Sales	United States
Semtech	President	United States
Sinha Solutions	President	United States
SnowPure Water Technologies	Manager, International Sales & Marketing	United States
State Nuclear Power Plant Service SNPTC	Engineer	China
State Nuclear Power Plant Service SNPTC	Senior Engineer	China
SUEZ	Application Development Leader, E-Cell EDI	Canada
SUEZ	Product Management	United States
SUEZ	Sales Manager	United States
SUEZ	Account Manager	United States
SUEZ	Growth Initiatives Leader	Canada
SUEZ	Vertical Leader	United States
SUEZ	Regional Account Manager	United States
SUEZ Water Solutions	Application Engineer	United States
SUEZ Water Technologies & Solutions	Representative	United States
SUEZ Water Technologies & Solutions	Global Engineering Leader	United States
SUEZ Water Technologies & Solutions	Global Product Marketing Leader	United States
SUEZ Water Technologies & Solutions	Applications Manager	United States
SUEZ Water Technologies & Solutions	Leader of Lifecycle Solutions - SDI Group	United States
SUEZ Water Technologies & Solutions	Product Manager	United States
SUEZ Water Technologies & Solutions	Global Director, Microelectronics	United States
SUEZ Water Technologies & Solutions	Corporate Account Manager	United States

# ULTRAPURE MICRO 2019

ENABLING THE FUTURE  
QUALITY | CAPACITY | RELIABILITY

<u>Company</u>	<u>Title</u>	<u>Country</u>
SUEZ Water Technologies & Solutions	Global Commercial Developer	United States
SUEZ Water Technologies & Solutions	Regional Sales	United States
SUEZ Water Technologies & Solutions	Lead Process Engineer	United States
SUEZ Water Technologies & Solutions	Sales Manager	United States
SUEZ Water Technologies & Solutions	Lead Sales Manager-SDI-ES	United States
SUEZ Water Technologies & Solutions	Director	United States
SUEZ Water Technologies & Solutions	Commercial Sales Manager	United States
Swan Analytical USA	RSM- Front Range	United States
Swan Analytical USA	Sales Manager	United States
Thermo Fisher Scientific	Business Development Manager	United States
Tosoh USA Inc	Vice-President	United States
Trebor International. Inc.	Sales Manager	United States
Trojan Technologies	Research Scientist	Canada
Trojan Technologies	Engineering Manager	Canada
TRUMPF	Engineering Manager	United States
TSI Semiconductors	Staff Facilities Engineer	United States
Uncopiers Inc	Representative	United States
Uncopiers Inc	Representative	United States
Versum Materials	Statistical Consultant	United States
W L Gore & Associates	Global Account Manager	United States
W L Gore & Associates	New Product Development	United States
W L Gore & Associates	Product Manager	United States
Water Specialties	Consultant	United States

Ultrapure Micro 2019 will take place June 5<sup>th</sup> - 7<sup>th</sup> at the Arizona Biltmore Hotel in Phoenix, AZ. Visit [ultrapuremicroevents.com](http://ultrapuremicroevents.com) to learn more.
