

Ultrapure Micro 2019 – Delegate List

<u>Company</u>	<u>Title</u>	<u>Country</u>
3M	Applications Engineering Manager	United States
3M	SPSD Technical Sales - Western region	United States
3M	Senior Technical Specialist	
3M Industrial Business Group	Research Scientist	United States
3M Industrial Business Group	US Marketing Manager, 3M SPSPD	United States
3M, Industrial Business Group, Membranes Business Unit	Representative	United States
Agilent Technologies	Sales & Business Manager	
Agilent Technologies	ICP-MS Applications Scientist	United States
Air Liquide	Representative	United States
Air Liquide Balazs NanoAnalysis	Gas Lab Manager	
Air Liquide Electronics	Senior Applications Engineer	United States
Air Liquide Global E&C Solutions	Manager, Solutions Development - Cryogenics	United States
AM Technical Solutions	Process Engineer	United States
An-Cor Industrial Plastics Inc	Sales Engineer	United States
Aqua Metrology Systems Ltd.	Development Manager	United States
AS Stromungstechnik GmbH	Technical Sales Manager Global	Germany
Asahi Kasei Corporation	Deputy General Manager	Japan
Asahi Kasei Corporation	Deputy Manager	Japan
Asahi/America	District Sales Manager	United States
Avista Technologies Inc	Applications and Sales	United States
Banner Industries	Technical Sales	United States
Barry Wehmler Design Group	Project Manager	United States
Booky Oren Global Water Technologies Ltd.	Water Technology Scouting Manager	Israel
Burnett, Inc.	Sales	
Cabot Microelectronics	Engineer	United States
Carollo Engineers, Inc.	Vice President, Chief Technologist - Decision Support	
ChemTrace	Technical Sales Account Manager	United States
Chemtrade	Process Engineering Manager	United States
DAS Environmental Expert GmbH	COO Water Treatment	Germany
DAS Environmental Experts	General Manager	United States
Diamond Fiberglass	Vice President & Partner	United States
DOC-LABOR	Director	Germany
DPS	Process Engineer	United States
DuPont	Senior Technical Service Engineer	United States
DuPont	Scientist	United States
DuPont	Technical Service	United States
Elemental Scientific, Inc.	Sales Engineer	United States
Entegris	Business Development Technologist	United States
Entegris	Engineer	United States
Entegris	Sr Mgr, Gas Purification Research	United States
Entegris Inc.	Applications Manager	Germany
ETH Zurich - UNISERS	Researcher	Switzerland

<u>Company</u>	<u>Title</u>	<u>Country</u>
Evoqua	Sales Executive	
Evoqua Water Technologies	Aftermarket Sales	United States
Evoqua Water Technologies	Research and Development Manager	United States
Evoqua Water Technologies	Research and Development Manager	
Evoqua Water Technologies LLC	Director, Global Business Development	United States
Evoqua Water Tecnologies	Project Manager	United States
Exyte U.S., Inc.	Process Engineer	United States
Farnsworth Group	Director of Process Piping	United States
Farnsworth Group	Process Engineer	United States
Farnsworth Group, Inc.	Process Engineering Manager	United States
Farnsworth Group, Inc.	Process Engineer	United States
FTD Solutions	COO	United States
FTD Solutions	CTO	United States
FTD Solutions LLC	Project Engineer	United States
FTD Solutions, LLC	Project Manager	United States
Fujifilm Electronic Materials U.S.A. Inc.	Sr. Process Technology Engineer	United States
Fujifilm Electronic Materials U.S.A. Inc.	R&D Chemist	United States
Fujifilm Electronic Materials U.S.A. Inc.	R&D Metrology Manager	United States
Garlock Sealing Technologies	Director of Product Management	United States
Gemu Valves	Plastics Product Manager	United States
Georg Fischer	Area Sales Manager - Engineered Piping Systems	United States
Georg Fischer	Regional Sales Director	United States
Georg Fischer Signet LLC	Electrochemist	United States
GLOBALFOUNDRIES	Facilities Engineer WWT	United States
GLOBALFOUNDRIES	Facilities Gas Engineer	United States
Globalfoundries	Staff Technician, UPW-Waste-WWT Support	United States
Greene Tweed & Co Inc	Elastomer Product Manager, Semiconductor	United States
Greene Tweed & Co.	Elastomer Product Manager, Semiconductor	
Harrington Industrial Plastics	President	United States
Harrington Industrial Plastics	Div. VP, Pure Group	United States
Harrington Pure	Regional Sales Specialist	United States
Heraeus Noblelight America, LLC.	Sales	United States
Honeywell Electronic Materials	Principal Engineer	
Horiba Instruments	Sales	United States
Hydranautics	Regional Account Executive - Southwest USA	United States
IMES Engineering Group	Mechanical/Process Engineer	United States
IMES Group, LLC	Senior Project Coordinator	United States
IMES Group, LLC	Mechanical/Process EIT	United States
Intel Corporation	UPW Engineer	Ireland
Intel Corporation	Environmental Engineer	Israel
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Technician	United States
Intel Corporation	UPW Technician	United States
Intel Corporation	Waste Engineer	United States
Intel Corporation	UPW Engineer	United States
Intel Corporation	Vice President, Manufacturing and Operations	United States
Intel Corporation	UPW Technician	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Intel Corporation	Planar Engineer	United States
INtel Corporation	UPW Engineer	United States
Intel Corporation	UPW IWS PE	United States
Intel Corporation	Representative	
JE Dunn	Senior ME Engineer	United States
JSR Micro	Senior Cleans Engineer	United States
JSR Micro	Process Engineer	
K-Water	Senior Researcher	Korea (South)
Kanomax FMT	President	United States
Kanomax FMT	VP	United States
Kanomax FMT	President	United States
Koch Membrane Systems	Process Engineer	United States
Korea Water Resources Corporation	Researcher	Korea (South)
Kurita America Inc	Executive Vice President	United States
Kurita Water Industries	Chief Researcher	Japan
Kurita Water Industries Ltd.		Japan
Levitronix Technologies LLC	Account Manager	United States
Lubrizol	Industrial Field Tech Manager	United States
MD Henley & Associates	Water Industry Consultant	United States
Mega Fluid Systems	Technical Fellow	United States
Mettler-Toledo	Gloal Product Manager	United States
Mettler-Toledo	Product Manager	United States
MGC Pure Chemicals America Inc	Laboratory Manager	United States
MGC Pure Chemicals America Inc	QA Engineer	United States
MGC Pure Chemicals America Inc	Technical Sales Manager	United States
MGN International Inc	Sales Application Engineer	United States
Mgn International Inc.		United States
Micron Technology, Inc.	Sourcing	United States
MIT Lincoln Laboratory	Facility Manager	United States
Moses Lake Industries	Maintenance Tech	United States
Nalco an Ecolab Company	Senior Marketing Manager, Microelectronics	United States
Nalco an Ecolab Company	District Representative	United States
NeoTech Aqua Solutions	CEO	United States
ON Semiconductor	Facilities Engineer	United States
Organo Corporation	ELBU	Japan
Organo Corporation	Section Head	Japan
Organo Corporation		Japan
Ovivo	Innovation Engineer	Switzerland
Ovivo	Project Engineer	United States
Ovivo Switzerland AG	Process Engineer	Switzerland
Ovivo Water	Representative	United States
Pall Corporation	Product Manager Chemical and CMP products	Germany
Pall Corporation	Global Account Manager	United States
Pall Corporation	Senior Technical Specialist	United States
Pall GmbH	Director Global Product Planning and Management Water	Germany
Particle Measuring Systems	Regional Sales Manager, Western USA	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Particle Measuring Systems	Sales Manager, Electronics	United States
PeroxyChem	Global Electronics Segment Manager	United States
Plast-O-Matic Valves, Inc.	Process Engineering Manager	United States
Pure Plastics	President	United States
Pure Plastics	Business Development	United States
Pureflow	Engineering Manger	United States
Purolite Corporation	Technical Sales Western Region	United States
Purolite Corporation	Sales Director - Midwest, Southwest, West	United States
RION Co., LTD	International Sales Manager	Japan
Sachem Inc.	Process Development Chemist	United States
SACHEM Inc.	Chemist	United States
Samsung Austin Semiconductor	Engineering Team Rep - PCS	United States
Samsung Austin Semiconductor	Engineer	United States
Samsung Austin Semiconductor	UPW Facilities Engineer	United States
Samsung Austin Semiconductor	Scrubber Engineer - PCS	United States
Samsung Austin Semiconductor	GCS Senior Engineer	United States
Samsung Austin Semiconductor	IWT Facilities Engineer	United States
Samsung Austin Semiconductor	IWT Engineer	United States
Samsung Austin Semiconductor	Material Technology Engineer	United States
Samsung Austin Semiconductor	Slurry Project Manager	United States
Samsung Engineering Co Ltd	Senior Engineer	Korea (South)
Sandia National Laboratories	Facilities Technologist	United States
Sandia National Laboratories	Technologist	United States
Semiconductor Smart Solutions	President	United States
Semitorr Group, Inc.	Account Manager	United States
Semitorr Inc.	Sales	United States
SnowPure Water Technologies	Manager, International Sales & Marketing	United States
SUEZ	Application Development Leader, E-Cell EDI	Canada
Suez	Vertical Leader	United States
SUEZ	Sales Manager	United States
Suez	Product Management	United States
SUEZ Water Solutions	Application Engineer	United States
SUEZ Water Technologies & Solutions	Lead Sales Manager-SDI-ES	United States
SUEZ Water Technologies & Solutions	Applications Manager	United States
SUEZ Water Technologies & Solutions	Global Commercial Developer	United States
SUEZ Water Technologies & Solutions	Global Product Marketing Leader	United States
SUEZ Water Technologies & Solutions	Global Director, Microelectronics	United States
SUEZ Water Technologies & Solutions	Regional Sales	United States
SUEZ Water Technologies & Solutions	Director	United States
Swan Analytical USA	RSM- Front Range	United States
Trojan Technologies	Research Scientist	Canada
TSI Semiconductors	Staff Facilities Engineer	United States
Uncopiers	Representative	United States
Versum Materials	Statistical Consultant	United States
W L Gore & Associates	Global Account Manager	United States
W L Gore & Associates	New Product Development	United States
3M	Applications Engineering Manager	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
3M	SPSD Technical Sales - Western region	United States
3M	Senior Technical Specialist	
3M Industrial Business Group	Research Scientist	United States
3M Industrial Business Group	US Marketing Manager, 3M SPSP	United States
3M, Industrial Business Group, Membranes Business Unit	Representative	United States
Agilent Technologies	Sales & Business Manager	
Agilent Technologies	ICP-MS Applications Scientist	United States
Air Liquide	Representative	United States
Air Liquide Balazs NanoAnalysis	Gas Lab Manager	
Air Liquide Electronics	Senior Applications Engineer	United States
Air Liquide Global E&C Solutions	Manager, Solutions Development - Cryogenics	United States
AM Technical Solutions	Process Engineer	United States
An-Cor Industrial Plastics Inc	Sales Engineer	United States
Aqua Metrology Systems Ltd.	Development Manager	United States
AS Stromungstechnik GmbH	Technical Sales Manager Global	Germany
Asahi Kasei Corporation	Deputy General Manager	Japan
Asahi Kasei Corporation	Deputy Manager	Japan
Asahi/America	District Sales Manager	United States
Avista Technologies Inc	Applications and Sales	United States
Banner Industries	Technical Sales	United States
Barry Wehmler Design Group	Project Manager	United States
Booky Oren Global Water Technologies Ltd.	Water Technology Scouting Manager	Israel
Burnett, Inc.	Sales	
Cabot Microelectronics	Engineer	United States
Carollo Engineers, Inc.	Vice President, Chief Technologist - Decision Support	
ChemTrace	Technical Sales Account Manager	United States
Chemtrade	Process Engineering Manager	United States
DAS Environmental Expert GmbH	COO Water Treatment	Germany
DAS Environmental Experts	General Manager	United States
Diamond Fiberglass	Vice President & Partner	United States
DOC-LABOR	Director	Germany
DPS	Process Engineer	United States
DuPont	Senior Technical Service Engineer	United States
DuPont	Scientist	United States
DuPont	Technical Service	United States
Elemental Scientific, Inc.	Sales Engineer	United States
Entegris	Business Development Technologist	United States
Entegris	Engineer	United States
Entegris	Sr Mgr, Gas Purification Research	United States
Entegris Inc.	Applications Manager	Germany
ETH Zurich - UNISERS	Researcher	Switzerland
Evoqua	Sales Executive	
Evoqua Water Technologies	Aftermarket Sales	United States
Evoqua Water Technologies	Research and Development Manager	United States
Evoqua Water Technologies	Research and Development Manager	
Evoqua Water Technologies LLC	Director, Global Business Development	United States

<u>Company</u>	<u>Title</u>	<u>Country</u>
Evoqua Water Technologies	Project Manager	United States
Exyte U.S., Inc.	Process Engineer	United States
Farnsworth Group	Director of Process Piping	United States
Farnsworth Group	Process Engineer	United States
Farnsworth Group, Inc.	Process Engineering Manager	United States
Farnsworth Group, Inc.	Process Engineer	United States
FTD Solutions	COO	United States
FTD Solutions	CTO	United States
FTD Solutions LLC	Project Engineer	United States
FTD Solutions, LLC	Project Manager	United States
Fujifilm Electronic Materials U.S.A. Inc.	Sr. Process Technology Engineer	United States
Fujifilm Electronic Materials U.S.A. Inc.	R&D Chemist	United States
Fujifilm Electronic Materials U.S.A. Inc.	R&D Metrology Manager	United States
Garlock Sealing Technologies	Director of Product Management	United States
Gemu Valves	Plastics Product Manager	United States
Georg Fischer	Area Sales Manager - Engineered Piping Systems	United States
Georg Fischer	Regional Sales Director	United States
Georg Fischer Signet LLC	Electrochemist	United States
GLOBALFOUNDRIES	Facilities Engineer WWT	United States
GLOBALFOUNDRIES	Facilities Gas Engineer	United States
Globalfoundries	Staff Technician, UPW-Waste-WWT Support	United States
Greene Tweed & Co Inc	Elastomer Product Manager, Semiconductor	United States
Greene Tweed & Co.	Elastomer Product Manager, Semiconductor	
Harrington Industrial Plastics	President	United States
Harrington Industrial Plastics	Div. VP, Pure Group	United States
Harrington Pure	Regional Sales Specialist	United States
Heraeus Noblelight America, LLC.	Sales	United States
Honeywell Electronic Materials	Principal Engineer	
Horiba Instruments	Sales	United States
Hydranautics	Regional Account Executive - Southwest USA	United States
IMES Engineering Group	Mechanical/Process Engineer	United States
IMES Group, LLC	Senior Project Coordinator	United States
IMES Group, LLC	Mechanical/Process EIT	United States
Intel Corporation	UPW Engineer	Ireland
Intel Corporation	Environmental Engineer	Israel
Intel Corporation	UPW Engineer	United States
Intel Corporation	UPW Technician	United States
Intel Corporation	UPW Technician	United States
Intel Corporation	Waste Engineer	United States
